

## DIARY OF GEORGE DOOLEY

Saturday January 22, 1898 - Quit job at Kinsella Co. to go to Alaska.

Wednesday January 26 - Left Chicago for Alaska - 10:15 PM.

Thursday Jan. 27 - Arrived St. Paul 11:30 AM. Took in town and went to show. Left St. Paul 4:30 PM - through Minnesota over Great Northern RR.

Friday Jan. 28 - On train through North Dakota and Montana-endless prairie.

Saturday Jan. 29 - Fair on train crossing Rocky Mountains. 9:00 AM crossed Montana and Idaho. Arrived Spokane 9PM - fine scenery. Left Spokane 9:15PM. Saw fish wheels on Columbia river.

Sunday Jan. 30 - Crossed Washington and Oregon. Arrived Portland 1PM. Went to St. Charles Hotel. Fine scenery. Rain. Cool. Wrote to Mamie. Went to show - the Ensign in Portland.

Monday Jan. 31 - Fair. Went to Jones. Seen different stores - got prices. Went to show - Imperial Theater in Portland.

Tuesday Feb. 1 - Fair. Took in town and gave Jones list of outfit and switched change of route to Copper River to J.J. Karstens. Visited Mrs. Missamore and engaged passage on steamer Alliance. Got into a scrap at the Badger Saloon in Portland. (In a later resume of this part of the trip Dooley gives the following explanation: "Went to see Mr. Jones in regard to outfit and looked over various stocks in different stores on Feb. 1. Took in Portland and find it a slower town than Chicago - but a far cleaner one. On this date we heard some bad stories concerning Dyea and Skagway that we decided to change our route to Copper River as the rush was beginning to head this way and wired change of same to J.J. Karstens and received his answer same day, 'Do as you like'.... Engaged passage on steamer Townsend, formerly called Alliance, the fare being eighty dollars apiece and \$20.00 a hundred for freight.")

Wednesday Feb. 2 - Fine. Gave Jones order. Went to city park. Climbed mountains for good view of city. Got a few letters. Wrote to Mrs. Seiger, Willie Tomey, Leah Stranrahan, John Ransom. In Portland.

Thursday Feb. 3 - Rain. Packed up clothes and went to Mrs. Misamore for dinner and stayed up there until 11 o'clock. Wrote to Tom Shea and Alick Melland (?) to J.J. Rowe. In Portland.

Friday Feb. 4 - Rain. Seen steamer Alliance. Small boat. Got tickets and all outfit ready. saw Patty Cardwell. Wrote to Betty Collins in Portland. (In resume Dooley explains: "on Feb. 4 saw steamer Townsend and found out she was a little boat no larger than some of our lake excursion boats and in looks not fit for ocean travel. But heard that she was a sea worthy craft so bought our tickets and decided to take a chance on her. On Feb. 5 saw the boat was not yet repaired.")

Saturday Feb. 5 - Rain. Seen boat. Not all ready. Went to Gambrines(?). Got pictures taken in Portland.

Sunday Feb. 6 - Rain. Went to (?) and then went to Oregon City to see the falls. Fine scenery. Climbed hills and mountains. Went to show in Portland. Got all wet.

Monday Feb. 7 - Fair. Got our pictures. Got teeth filled. Went to show Marguiss Grand theatre in Portland.

Tuesday Feb. 8 - Fine. Went to Vancouver, Washington and seen Garrison. Answered Mamie's letter and Rose's letter. Sent photos. Went to dinner in Portland.

Wednesday Feb. 9 - Rain. went to dentist in Portland.

Thursday Feb. 10 - Rain. went to dentist in Portland.

Friday Feb. 11 - Rain. Went to dentist. Got J. Ransom's letter. Got letter and answered home same day. In Portland.

Saturday Feb. 12 - Rain. Got letter from Leah. Finished filling of teeth. Got acquainted with naked Turkish baths in Portland.

Sunday Feb. 13 - Rain. Waiting for boat. Went to show in Portland.

Monday Feb. 14 - Fine. Rented bicycle. Had ride in Portland over trestles and railroad ties.

Tuesday Feb. 15 - Rain and fine. Waiting for boat in Portland.

Wednesday Feb. 16 - Rain. Slept on boat in Portland.

Thursday Feb. 17 - Rain. Left Portland on steamer Townsend. Wrote to mother, father, Mamie, Rosy, Mrs. Condon, J.A. Kinsella, Green, Lahoaney(?), E.A. Dooley, Leah. Boat got on fire in Columbia River.

Friday Feb. Feb. 18 - Rain. Arrived at Astoria, Oregon. Took in town. Laid in Astoria all day.

Saturday Feb. 19 - Rain. In Astoria all day. Half of town built on piles. Old historic town of the Asters.

Sunday Feb. 20 - Fair. Left Astoria, Oregon at 7AM for Port Townsend. Rough time at sea on Pacific Ocean - everybody sick but Ken, and I threw overboard at sea all day.

Monday Feb. 21 - Fair. Arrived Port Townsend, Wash. 8AM. Tramped miles along sea shore to Fort Townsend to see barracks in Puget Sound. Fine scenery. Came home through woods - dense forests in Port Townsend.

Tuesday Feb. 22 - Rain in Port Townsend. Went for a walk through woods. Went to a masquerade at the good Templar's Hall among the half breeds.

Wednesday Feb. 23 - Fair. Rented a sailboat and went sailing on Puget Sound in Port Townsend.

Thursday Feb. 24 - Rain. Transferred goods to steamer Rival. Left Port Townsend 7:30PM on S.S. Rival. Received Mamie's letter at Pt. Townsend brought by Cooke's party from Portland.

Friday Feb. 25 - Rain. Went to sea and turned back to Callams Bay, Wash. to avoid coming storm. Stowaway found aboard ship. Callams Bay left 2:30. Got a Bay 11AM (?)

Saturday Feb. 26 - Rough at sea all day. Lots of people sick. Storm at sea. High wind.

Sunday Feb. 27 - Fine at sea. Not so rough. Had our photos taken aboard the boat. Stowaway in the boom. Jolly time given by the Wisconsin boys.

Monday Feb. 28 - Fine at sea on the Pacific Ocean all day.

Tuesday March 1 - Fine at sea. Sighted Mount St. Elias about 6 in morning. Sighted Mount Fairweather and (?)

Wednesday March 2 - Fine at sea all day. Passed Middleton Island. Seen porpoise shoals in Prince William Sound.

Thursday March 3 - Fine at sea in Prince William Sound. Passed Montague Island. Dense woods. Met schooner Olga in Sound from Kodiak. Went ashore and got left there. Went up trail 3 miles. Got left ashore all night. Arrived at Valdez and Copper City 6PM. Stayed in first building in Copper City all night. Geo. K slept on clothes line.

Friday March 4 - Snow. Unloaded boat and packed up trail. Trail very disagreeable. Average load 200 lbs., unloaded on ice one and a half miles from shore. Pitched tent and had first supper in Alaska. Snow 6 to 8 ft. deep. Inhabiners (?) got in camp. In all first camp.

Saturday March 5 - Fine. Got goods off of ice to beach.

Sunday March 6 - Fine. Finished packing goods into Copper City. Gen'l (?) and Colby arrived schooners. Sloop Clara 120 passengers.

Monday March 7 - Made one trip to foot of glacier in blinding snow storm. Baked our first bisquits and boiled and baked beans. The steam schooner Dora arrived. Total wt. 600.

Tuesday March 8 - Fine. Made two trips to foot of glacier. Walked 24 miles to and fro. Made bisquits - good success. Steamer Excelsior arrived with 260 passengers. Weight vs. 1500.

Wednesday March 9 - Fine. Made one trip to foot of glacier - 6 miles. Pulled 500 ft. to Kand G. Schooner Moonlight arrived. Kern caught 15 codfish. Snow 15 ft. deep at foot of glacier.

Thursday March 10 - Snow. Made two trips to foot of glacier. Total wt. 2200. ----- on last load.

Friday March 11 - Fine. Made two trips to foot of glacier. Total wt. 2600 - one load 700lbs.

Saturday March 12 - Fine. Made one trip to foot of glacier. Baked (?) bisquits. Total wt. 600.

Sunday March 13 - Fine. Moved our camp to foot of glacier. Total wt. 600 second camp.

Monday March 14 - High winds. Started to pack goods up first bench. Finished getting goods up first bench. Had photos taking goods up. Photos not good. First bench 22 degrees steep (?) 150 ft. and 6 miles from Sound.

Tuesday March 15 - Snow. Packed (?) of goods up to foot of second bench. Great fun coasting down steep hills. Got buried in snow. Had watch fixed in Alaska.

Wednesday March 16 - Fine. Got goods half way up second bench. Jackson had measles at the age of 30. Steamer Chilkat arrived. Second bench 20 degrees - 300ft. long - 7 miles from Sound.

Thursday March 17 - Fine. St. Patrick's Day. Had a small funny green ribbon. Got goods up to near the top of third bench. Looker camp to go to the next timber line. Stayed all night. Steamer Valencia arrived 606 passengers from New York.

Friday March 18 - Fine in AM. Winds PM. Got goods half up to top of 3 bench 8 miles from Sound. G. Karstens and Looker came back from exploring trip at 8:30 in storm.

Saturday March 19 - Winds in AM. Finished goods up third bench. Baked first pie - good success. 6 doz. bisquits and bread.

Sunday March 20 - Snow. Made one trip 5 miles in storm. Sore leg. One man shot his toes off while hunting.

Monday March 21 - Snow. Went to timber for wood. Packed one food cache to third bench.

Tuesday March 22 - Fine. High winds. Equal noxious gales. Packed blankets to top of third bench and slept without any. Schooner Albion arrived.

Wednesday March 23 - High winds. One man died. Another was shot accidentally. Helped dig grave - was a mason. Equal noxious gales. Packed blankets down again. Schooner Alice Blanchard arrived.

Thursday March 24 - Moved camp to top of third bench. Man that was shot died at 9:30AM - named Austin (?). Seen first horse in Alaska. 8 miles from Sound - third camp.

Friday March 25 - Snow. Made one trip to foot of fourth bench - ten miles. Average load 200lbs. Sore legs. Buried man that was shot. --- Defendant had jury trial and was told not to handle gun while in Alaska. Saturday March 26 - High winds. Made one trip to five mile cache. Trail tough. Sore legs. Baked bread - like cannon balls. Changed underwear.

Sunday March 27 - Fine. Made one trip to fourth bench - ten mile cache. One leg sore. Three boats in - steamer Noya - one schooner - steamer National City.

Monday March 28 - Snow. Made one trip to fourth bench and went to Valdez. Walked 28 miles. Stayed in Jimmy Ketchum's tent. Had supper there. Bought 120 lbs. sugar. Eat potatoes and slept on mattress. Slept in harness.

Tuesday March 29 - Snow. Started home. Had breakfast at Ketchum's. Seen second donkey - goats. Trail was crowded. Valdez growing. Had drink whiskey. Made one trip to 5 mile cache. Rain in valley - snow on top of glacier. Frank Brifogle had dinner.

Wednesday March 30 - Snow and rain. Got 2 loads of wood from top of first bench to camp. Smoked cigars. Geo. K cut Kern's hair in camp. No work in afternoon. Geo. K cut my hair and I cut his. Lots of steps.

Thursday March 31 - Snow. Made 2 trips to five mile cache. One load 550 pounds. One man working on trail in undershirt. Scott had dinner.

Friday April 1 - Snow - fair. April Fool's day well represented on trail. Fellows saw the steam sled. Made 2 trips to 5 mile cache. Saturday April 2 - Snow - fair. Made trip to five mile cache and trip to ten mile cache. Moved camp to ten mile cache. 10 miles from Sound. 3000 ft. above sea level. 2 dogs on trail gave out - taken home on sleds. Eat dinner at Looker's camp.

Sunday April 3 - High winds. Palm Sunday. Made one trip to five mile cache to camp. Broke trail both ways for load of wood in blinding snow storm.

Monday April 4 - High winds - snow and sunshine. Made 3 trips from camp to top of fourth bench in half of day. No work in morning. Wind storm at night. saw summit in the distance for the first time. Tuesday April 5 - Fair in AM. Blizzard in PM. Made one trip from 5 mile cache and laid up in PM.

Wednesday April 6 - Fine and windy in PM. Made one trip from top of third bench to camp and one trip from 5 mile cache to camp. Walked thirty miles.

Thursday April 7 - Fair and high winds. Made 2 trips from 5 mile cache to camp. Trail snowed in on way home.

Friday April 8 - Fair. Summer weather. Made 2 trips from 5 mile cache to camp. Fellows feeling a little out of sorts. Good Friday. NM BT (?) hoisted 500 lbs. to load G WK and myself.

Saturday April 9 - Fine in AM. Snow in afternoon. Made 2 trips from 5 mile cache and finished goods up to 4 bench. Got letters from home and Mrs. Abhrams. Looker moved up near us.

Sunday April 10 - Fine. Easter Sunday. Saw Bible in Looker's camp. On second weeks cooking. Got some goods up 4 bench. Had chocolate. Wrote a letter to send home.

Monday April 11 - Snow. Made first load to foot of summit in AM. No work in PM.

Tuesday April 12 - High winds. No work. Stayed in all day. Wrote to J.J. Kinsella and Mamie and Rosie.

Wednesday April 13 - Stormy. No work at all. Had dinner at Looker's camp.

Thursday April 14 - Stormy and snow. Makel trip for Looker from 5 mile cache to camp. One load to top of bench.

Friday April 15 - Wind and light snow in AM. Started up 4 bench in PM.

Saturday April 16 - Snow and winds in AM. No works in PM. Sent letters to Valdez by Jim Sheehan for J.J. Kinsella, mother, and Mamie. Doubled up to save wood with Looker camp - was then a week ahead of them. Frank Degnan cast adrift by the Young party from Wisconsin.

Sunday April 17 - Fine in AM. Snow in PM. Moved camp to foot of summit. Made two trips from 4 bench to summit. 5th camp 23 miles from Bay.

Monday April 18 - Fine. Made 2 trips from 4 bench to summit.

Tuesday April 19 - Fine. Made 2 trips from top of 4 bench to foot of summit. Valencia boat arrived. 40 soldiers here to survey route and see the feasible way of getting relief in to the Interior.

Wednesday April 20 - Fine. Made 2 trips from 4 bench to foot of summit. Rumors that trail is not the right one.

Thursday April 21 - Fine. Made 2 trips from 4 bench to foot of summit. 4 niggers in camp to date.

Friday April 22 - Fine. Went to top of summit and coasting down hill  $\frac{3}{4}$  of mile. Tackled up 2 tackles 2000 ft. in air.

Saturday April 23 - Fine. Zero in AM. Worked  $\frac{1}{2}$  of day and laid off in PM. High winds.

Sunday April 24 - Blizzard and high winds. Laid off all day. Played Pedro.

Monday April 25 - Fine in AM. Storm in PM. Tackled up 800 ft. up summit. No work in PM.

Tuesday April 26 - Fine in AM. Storm in PM. No work in PM. Tackled up summit 1100 ft.

Wednesday April 27 - Worst storm since we have been here. Blizzard. No work all day.

Thursday April 28 - Stormy. No work at all.

Friday April 29 - Snow. Laid in camp all day. Snowbound.

Saturday April 30 - Snow. Still snowing --- 105 hours continuous and still storm until 10PM and awful calamity struck camp in form of a snow slide burying a number of people alive. 2 known to be dead at 12PM. Brad took a tumble on snow shoes.

Sunday May 1 - Snow. Still snowing at 2AM. No sleep at all. Rescued Jas. Thiery, Jas. Steele, Anton Simonson. Jos. Fornier dead. Van Huson (?), L. Svenson, Alameda, Cal., P. Straub, S.F., Cal., c. Bonner, Jas. Peck, Chicago, Ill. Our tent the last one not to be covered.

Monday May 2 - snow. Another snow slide buried a number of people. Dug out three men of Brennan camp of Stamford, Conn. Our tent last one not to be covered. Swanson of Alameda, Cal. buried twice. Sun came out for the first time since Tuesday May 26. Moved our camp to top of summit for safety. A ridge in the distance looks dangerous. 6 camp 28 miles from (?).

Tuesday May 3 - Stormy and fine at times. Moved in PM to timber. Trail broken up. Packed up summit in AM. 7 camp 32 miles from Valdez.

Wednesday May 4 - Fine. Hauled a stick of wood to camp on summit and hauled 600 lbs. down again to camp.

Thursday May 5 - Fine. Made a trip from timber to summit and then to 4 bench for food. Distance 16 miles. Hauled blankets back to summit.

Friday May 6 - Fine. Made a trip to 4 bench from summit. Shoveled out cache buried 7 feet in the snow. Worked all night.

Saturday May 7 - Fine. Still working nights. Made 2 trips from 4 bench to summit. Finished hauling goods to bottom of summit.

Sunday May 8 - Stormy. Dug out our small rope and got goods ready for tackling.

Monday May 9 - Fine. Made 3 tackles up summit - 800 ft. each.

Tuesday May 10 - Stormy. Blizzard. Could not work at all.

Wednesday May 11 - Fine at times. Made 3 tackles up summit. Finished tackling. Goods all up. All are happy.

Thursday May 12 - stormy. Made a trip to foot of glacier and got caught in storm. Thought our time had come. Lost trail. Had to feel our way home.

Friday May 13 - Stormy on summit. Moved our camp to timber. Made last trip to timber from summit. Calling it Paradise.

Saturday May 14 - Light rain and snow. Made 1 trip from foot of glacier to timber.

Sunday May 15 - Fine. Got up at 2AM. Made one trip from foot of glacier to timber with last trip of goods. Trail is almost gone. Went in search of good timber for boats and pitched our tent for final cache until boats are ready.

Monday May 16 - Fine. Went to timber 1 mile from camp. Cut down 5 trees and 2 good ones for boat. Trimmed to get ready for whip sawing.

Tuesday May 17 - Fine. Started to whip saw. Not good success for first days work. A little hard work attached to it for non-experienced hands.

Wednesday May 18 - Fine. Changed location of pit for whip sawing. Had saw set and sharpened by Capt. Hughes of Conn.

Thursday May 19 - Fine. Started to whip saw. Sawed out one log. A good days work and success.

Friday May 20 - Fine. Got another log ready to saw. Lumber is running poor in this section. Changed under wear.

Saturday May 21 - Fine. Started to saw second log. Made it look pretty sick. By night one man shot a marten, the first game seen in this vicinity.

Sunday May 22 - Fine. Still sawing. Done a good days work on same log. Got a letter from home.

Monday May 23 - Fine. Finished sawing log. Have enough for one boat and will build one first until we strike better timber.

Tuesday May 24 - Fine. Got lumber out of woods 1 mile from camp through snow and water knee deep. Almost as hard as whip sawing it out. Started to trim lumber for boat.

Wednesday May 25 - Fine in AM. Threatening rain in PM. Building boat. Washed 16 shirts and 8 pair drawers. Made the first washboard on trail.

Thursday May 26 - Fine. Still building boat.

Friday May 27 - High winds. Started to caulk boat. washed a few more clothes.

Saturday May 28 - High winds and slight rain. Washed some more. Finished boat and put her in the water. One man died at six mile camp with scurvy - first case on trail.

Sunday May 29 - Rain. Took 1500 lbs. down creek to six mile camp. Hard work getting boat back. 2 men of Keystone Co. Vail and Henning(?) of Pittsburg Pa. gave us help. Current of stream very stiff. Saw first saw mill selling boards 15 cents per running foot.

Monday May 30 - Fine. Made 2 trips to six mile camp. 2400. Decoration Day flags raised in camp. Christened boat Garden City.

Tuesday May 31 - Fine. Made 2 trips to 3 mile camp. Saw the first miner meeting. Young of Chicago and J. Bedlish (?) ---- of Cal. principals. All goods to three mile camp. ? miles from first?

Wednesday June 1 - Fine. Took camp from first timber to 6 and 1/2 mile camp. Townsend of Keystone party took pictures of camp and our boat. 40 miles from Valdez at camp.

Thursday June 2 - High winds. Made one. Food from three mile camp to 6 1/2 mile. Went to forest in PM for timber for our boat.

Friday June 3 - Fine. Made one trip to 8 mile camp to 6 mile camp. Went into woods looking for timber. Found 2 logs.

Saturday June 4 - Fine. Got pit ready and log in position. Saw first sail boat, named Oregon (?).

Sunday June 5 - Fine. Started to saw log for second boat.

Monday June 6 - Fine. Still sawing on log. Creek is getting very low.

Tuesday June 7 - Fine. Finished sawing log. Got another log ready for sawing. Visited deserted Indian village a little way from saw pit. Forest fire in the distance.

Wednesday June 8 - Fine. Still sawing on second log. Squirrels are here in abundance. Crossed over beaver dam - quite a large one.

Thursday June 9 - Fine. Still sawing on second log. Done a good days work.

Friday June 10 - Fine. Finished sawing log. Went along lake to find outlet to 8 mile camp. Saw trout in stream. Boat shrunk - will have to caulk over. Saw some flour floating down creek. Forest fires are becoming numerous.

Saturday June 11 - Fine. Mover camp to 8 mile camp, Mosquito Junction. Looker party passed us on way to lake. Went after lumber to woods. Christened lake Fire Lake and the river No-catch-Fish River. Forest fire very close to our lumber. Spread net for first time. One man went in skiff to catch our 9th camp - 42 miles from Valdez. Had dinner with Looker.

Sunday June 12 - Fine. Made one trip to 6 1/2-mile camp for load of goods. Building 2 boats. River is raising fast and running swift. Boats are turning over here every day. Navigation is becoming dangerous to outfits.

Monday June 13 - Fine. Made one trip from 6 1/2 mile finishing loads. Rescued E. Wimperman (?) who was swamped 2nd time. Had a very close call - he being the second in the same place.

Tuesday June 14 - Fine. Pulled in 8 more boats. Calling this Bad Luck Harbor. 3 men in the water. Ramsdell stopped for supper on way from lake and Copper River. Baked yeast bread - fair success for first time. Mosquitos are becoming an awful pest. Started to wear masks made of netting.

Wednesday June 15 - Fine. Building boat. Not so many wrecks today. Threatened rain and thunder. River is still raising making it difficult to find channel.

Thursday June 16 - Rain and fair. Done a little work on boat. saw one man in boat without any pants on. No wrecks today.

Friday June 17 - Fine. Went hunting. Twice nearly got up by mosquitos. Reports that gold was struck??? on Copper River and 5 more bodies taken from snow slide of May the 1st.

Saturday June 18 - Fine. Felt a little sick. Pain in side. Finished boat. No wrecks today at this point.

Sunday June 19 - Fine. No work. Water is running very swift today.

Monday June 20 - High winds. Got our 2 boats loaded and ready to start but delayed by high winds and swift water. One boat swamped here today. Took shifts watching boats.

Tuesday June 21 - Wind still blowing. Went prospecting and did not find anything.

Wednesday June 22 - Fine. Broke camp. Started for lake. Got wrecked, but saved all goods. Close call. Pitched tent on point 4 miles from lake. 10th camp 46 miles from Valdez.

Thursday June 23 - Fine. Storey stopped on way to summit. Patched boat and brought her to camp. Robinson party claim gold is in vicinity.

Friday June 24 - Fine in valley. Went prospecting to gulch 5 miles to the east of camp. Took 3 days grub. Rained on us in camp. Out. Saw first three claims on Kenyon creek and Stelina gulch, namely Tom Boy, Mamie and-----

Saturday June 25 - Fine in day. Still prospecting. Sunk a hole. No colors yet. Rained on us again at night.

Sunday June 26 - Fine. Staked out 4 claims of 20 acres each on both sides of Kenyon creek. Started back home. Got home at 7 PM. Tough time coming home through brush and thicket.

Monday June 27 - Fine. Stayed around camp all day. Storey came back from summit.

Tuesday June 28 - Fine. Storey and J.K--- went to look at our claims and to value them. Got goods ready to move on the morrow. Claims no good.

Wednesday June 29 - Fine. Left camp and started for lake. Came down river all right. Shipped water in lake. Put in for the night.

Thursday June 30 - Fine. Started again on lake. Came all the way. Made Amy's Rapids and camped. Piloted down by J. Gard of Lynn, Mass. 11<sup>th</sup> camp 75 miles from Valdez. Made our longest days journey of the trip. Eat first fish - salmon fine for a change.

Friday July 1 - Fine. Straightened out camp and laid up all day. Set tramble net. No fish first day.

Saturday July 2 - Fine. Caught 14 salmon. Started to build smoke house. Doing a good fish business.

Sunday July 3 - Fine. Built smoke house. Got some more fish done - 23.

Monday July 4 - Fine. 4th of July shot off in camp. Caught 20 salmon in one night. Largest catch. Learned to make good bread by Saunders of Lynn, Mass.

Tuesday July 5 - Fine in AM. Rain in PM. Sawed wood for the camp. Caught 30 salmon.

Wednesday July 6 - Fine. Nothing of note. Not a good day fishing.

Thursday July 7 - Fine. Salmon stopped running. Expect silver salmon up soon.

Friday July 8 - Fine. Got shaved and received letters from J.J. Kinsella, Mamie, Rose and Mother. John built cache.

Saturday July 9 - carried cache up to put in tent.

Sunday July 10 - Fine. Wrote to J.J. Kinsella, Mother, Mamie and Rose. Had photos taken by J.C. Conrath of Jefferson City, Mo.

Monday July 11 - Fine. Went to auction.

Tuesday July 12 - Rain. Stayed in camp.

Wednesday July 13 - Fine. Nearly shot the shoots. Geo. K. and J.

Thursday July 14 - Fine. Acted on committee in miner's meeting. Started for Copper River at 4PM. Geo. K shot a porcupine. Got held up by dogs. Had gun in dogs ear. J. Bradbury went along. J. Gard started for Valdez.

Friday July 15 - Fine. Arrived at Copper Center at 8 AM, covering 25 miles. 8 hours and 1/2. Saw Snyder and Poirotte (?). Saw first Copper River Indian shrewd traders. Saw Copper River in distance. Quite a town here at present date. Got a letter from G. Kern.

Saturday July 16 - Rain. Went to Copper River for 1st time. Up river 1 and 1/2 miles.

Sunday July 17 - Fine. Stayed in camp all day. Starting home at 7:40 PM.

Monday July 18 - Fine. Arrived home at 5:30 AM. Got held up by dogs. They had a close call. Came near getting shot.

Tuesday July 19 - Fine. Stayed in camp. Caught salmon weighing 32 lbs., largest caught up to date.

Wednesday July 20 - Rain and fine at times. Mail here.

Thursday July 21 - Fine and rain. Started to visit Bradbury at foot of lake. Frank and I went into lake in a wrestling match. Stayed all night.

Friday July 22 - Rain and fine. Started home - distance 5 miles. Covered it in 122 minutes.

Saturday July 23 - Rain and fine. Are catching no fish at present.

Sunday July 24 - Rain and fine. Built bedsteads for camp. No cook. Got shaved.

Monday July 25 - Fine. Stayed around camp.

Tuesday July 26 - Fine and rain. Kern went to head of lake with J. Morris of Wyoming.

Wednesday July 27 - Fine. Gard got back from Valdez. Note OK.

Thursday July 28 - Fine. Nothing of note. Kern got back from lake.

Friday July 29 - Fine. Scott and Landess stopped on their way back to the states.

Saturday July 30 - Rain and fine. Auctioneer sold out J. Gard of Lynn, Mass.

Sunday July 31 - Fine. Had first church at Amy's Rapids. One man done up by a bear - nearly done up.

Monday August 1 - Rain and fine. Started out to prospect. Landed 5 miles at head of lake. Put up for night. Rowed 20 miles. Gard left for home. Birds walked on our heads.

Tuesday August 2 - Fine. Laid up for high winds. Camped at head of lake over night.

Wednesday August 3 - Rain and fine. Started to cross divide. Got over at 6 o'clock. Camped out over night. No game. Rained on us all night. Had a good bath. 60 miles.

Thursday August 4 - Fine. Still prospecting. No colors in first hole. Found moose horns - quite large - 4 feet across.

Friday August 5 - Fine. Still prospecting. Dug a trench and got a good color. Getting a little colder every day. Found earlier prospector's grub.

Saturday August 6 - Fine. Still digging trench. No colors today.

Sunday August 7 - Stopped digging trench. Saw Munroe's and McCarthy claims - land claims.

Monday August 8 - Fine. Started home. Got to foot of lake at 9 PM. Stayed in Jeffrey and Wiseman of Mo. tent.

Tuesday August 9 - Fine. Got home at 2 PM. Saw Alison of Mason, Ill.(?) Changed underwear.

Wednesday August 10 - Fine. Stayed in camp. Had first fowl for dinner. Election on other side of camp. caught salmon weighing 38 lbs. Geo. went to foot of lake.

Thursday August 11 - Fine. Stayed in camp.

Friday August 12 - Fine. Fell in creek off of turning pole.

Saturday August 13 - Fine. George came home from the lake. Went to foot of lake with Ed Allison of Mason, Ill. Kern cut his head doing to giant swing and fell in creek.

Sunday August 14 - Fine. Went to Cox's Landing with Allison of Masons.

Monday August 15 - Fine. George started to go hunting at foot of lake. Allison goes home.

Tuesday August 16 - Fine. Stayed around camp.

Wednesday August 17 - Fine. Allison came again. John went to lake at noon with Saunders.

Thursday August 18 - Fine. Allison goes to lake again. Saunders comes home again.

Friday August 19 - Fine. Nothing of note. Capt. Abercrombie went through camp. Had hair cut.

Saturday August 20 - Fine. Stayed in camp.

Sunday August 21 - Fine. W.L. Cook stopped on way home. Allison came.

Monday August 22 - Fine. Went to lake and returned same day with Cook and Allison. Left watch to be fixed.

Tuesday August 23 - Fine. Cook went home. Allison and Tabot (?) came.

Wednesday August 24 - Fine and rain. Got around camp.

Thursday August 25 - Fine and rain. Allison and John K. went to Copper Center.

Friday August 26 - Fine. Went to lake and back in 3 hours - distance 10 miles. Got watch at jeweler's.

Saturday August 27 - Fine. Stayed in camp. John came home again.

Sunday August 28 - Fine. Stayed in camp. Moore stopped on way home.

Monday August 29 - Fine. Stayed in camp.

Tuesday August 30 - Fine. Saw Jas. Daley and Leonard of Brownsville, Minn.
